MESSAGE FROM THE CHIEFS

We would like to thank everyone for their continued participation throughout this beautiful summer. We have had good showings at both parades, with new people in new positions. We thank you for your effort.

We are continuing with our hectic schedule of training and events. We have acquired another structure for training at 105 Wolf Road, and plan on using that facility until it is demolished.

Please keep the Ruede/Buchan family in your thoughts and prayers as their family goes through this difficult time.
